To Whom It May Concern,

I am delighted to write this testimonial for Nicholas, who served as a Product Manager Intern at Shopee Singapore under my supervision.

Nicholas brought a unique blend of creativity, strategic thinking, and technical acumen to our team. He demonstrated a profound understanding of the product lifecycle, from conceptualization and development to launch and post-launch analysis.

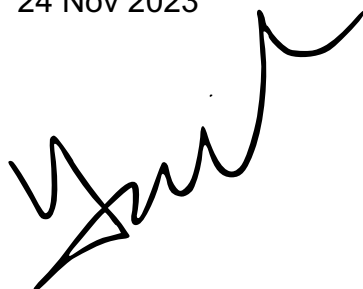

One of the standout qualities of Nicholas is his ability to communicate effectively with cross-functional teams. Whether liaising with developers, collaborating with the other stakeholders, or gathering feedback from end-users, Nicholas consistently displayed strong interpersonal skills.

As a Product Manager Intern, Nick exhibited a keen eye for detail, ensuring that product specifications were meticulously defined and adhered to. His organizational skills were evident in his effective management of project timelines and the successful coordination of cross-functional teams.

It is with great confidence that I recommend Nick for future roles in the Technology Industry. His dedication, innovative thinking, and collaborative spirit make them an asset to any organization. I believe Nick has the potential to make significant contributions to the field, and I am eager to see his continued success.

If you have any further questions or require additional information, please feel free to contact me.

Sincerely,
Blake Luo
